Thornton Park

Thornton Park is a 58 acre tract of land located at 5136 Blackhawk Road in Morrow, Ohio. The land is owned by the Village of Morrow and is currently leased for 5 years (ending January 2030) to Little Miami Youth Football and Cheer (LMYFC), a non-profit organization in Morrow. LMYFC currently uses the property for practice fields from June to December and is responsible for all upkeep of the land and for structural improvements. LMYFC has placed a trailer, concession stand, press box, swings, and monkey bars on the property. During the time of year when practices are held, the gates are locked to vehicle traffic when the park is not in use to prevent vandalism. Other times of the year, the park is open for residents to have access to the river. Walk-in access is available anytime.
